

**JOB ANNOUNCEMENT
CITY OF CEDARTOWN**

POSITION: WATER PLANT OPERATOR CLASS II

SALARY: Dependent on qualifications and experience (Minimum \$15.08hr)

TYPE WORK: Under the general supervision of the Water Plant Superintendent, a person in this position performs skilled work in the operation of the city's water distribution plant involving the responsible operation of filters, chemical feeders and associated equipment vital to the water purification process while exercising independent judgement and initiative.

QUALIFICATIONS: Knowledge of water and wastewater plant operations, knowledge of the functioning and servicing of mechanical equipment, ability to visually inspect and write down accurate records of data. Certification by the Georgia State Board of Examiners for Certified Water Plant Operators as a Class II Operator or greater.

All applicants must provide copies of any pertinent documents of certification, transcripts and training as well as a valid Georgia driver's license

Applications and complete job descriptions may be picked up and returned at City Hall, 201 East Avenue, Cedartown, Georgia 30125 from 8:30pm until 5:00pm Monday through Friday or accessed at our website www.cedartowngeorgia.gov

The closing date for applications will be Friday, May 13, 2016 at 2:00pm.

The City of Cedartown is an equal opportunity employer.
